<u>Mission Statement:</u> Your agency is responsible for submitting a Mission Assignment Monthly Progress Report to FEMA to include cost data when Mission Assignments take more than 60 days to complete, including billing. The Mission Assignment Monthly Progress Report can be accessed and submitted on-line at http://www.fema.gov/government/business.shtm . The new ALC number can also be accessed at the web address.			
USFS ESF 4 to provide 1 person to assess hazardous trees in accordance with FEMA Guidelines. A USFS Subject Matter Expert (SME) will assess hazardous trees in burned areas, as directed within the Counties designated in the Disaster 1810 Declaration. SME will provide written advice including diagrams/maps indicating which trees represent an eminent threat to improved property and/or the general public, or are located in a public right-of-way. The written advice will aid FEMA in determining the removal or pruning of which trees are eligible for reimbursement. This activation may include overtime and administrative costs.
